March 25, 1993

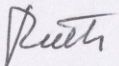

To Members of Board, Mineral King District Association:

If you have a copy of the draft booklet which was distributed at the meeting or by Les to those who were unable to attend, please send it or copies to me if you have comments, ideas, or suggestions to add or delete. Already I've received some .

Early in April I'll take a day or two to revise the draft and send it, still in draft form, to Les, incorporating suggestions.

It's up to the Board to decide to publish or not, and if published, how it will be used.

Best wishes,

Ruth Shepherd
